SELECTMEN'S NARRATIVE

This year the Stoddard tax rate rose to \$13.39 per 1,000.00 of valuation. This is an increase of \$2.60 over the 1998 rate, an increase of 24%. Three major factors contributed to this growth.

We had a one year overlap of the school bonds, but we knew this when we approved the Multi-purpose Room. The final payment was made on the renovations completed in 1991, and the first payment became due on our new debt. This will not occur next year.

We had a \$75,000.00 deficit appropriation in the school warrant to fund Special Education expenses mandated by laws both State and Federal. This was to fund expenses incurred after the budget was in place, for Special education needs not known at the time. These are necessary services guaranteed to students with demonstrated needs. The failure by our State and Federal governments to fully fund their mandates has caused this expense. We may recoup some of this through the Catastrophic Aid Bill, but reimbursement takes a year and is conditional to funding. Wasn't that the problem initially?

We are a donor town, with over \$117,000.00 of our property taxes being contributed to the State Property Tax. We are also a Coalition Town with a warrant article to request legal funds to fight this situation. The Claremont decision prevailed in the NH Supreme Court on issues of providing an adequate education and taxing for it in an equitable manner. The State Property Tax fails to do either. It is a compromise, passed in the eleventh hour, to buy time.

It is frustrating to see our taxes increase so greatly, and for such poor reasons. The portion of our total budget that receives the most attention, Town Charges, has the least impact on our tax bill. We as taxpayers and voters have a responsibility to keep ourselves informed on issues, and expect accountability from those empowered to affect change.

Work is progressing well on the Shedd Hill Bridge. Mild weather in November and December allowed work to continue beyond expectations. We can expect to see an additional request in next year's budget to fund the remainder of the costs. That amount won't be known until the State does the final accounting. The funds we have in capital reserves for this project will fund us through the year.

Last summer voters affected by a proposed betterment assessment approved funding one-half of the costs of the Kings Highway improvement. The estimated \$120,000.00 cost is to improve 7/10 of one mile of Kings Highway, with the Town accepting it as a Class V road. A request for a special town meeting was denied by the Superior Court of Cheshire County, causing Town consideration to be delayed until March 2000.

TOWN OF STODDARD, N.H.
TOWN WARRANT

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the fourteenth (14th) day of March 2000, next at eleven (11:00AM) of the clock in the forenoon to act upon the following articles:

The Polls will be open from 11:00 AM to 7:00 PM.

ART. 1: To choose by ballot all necessary Town Officers for the ensuing year.

FURTHER, you are hereby notified to meet at the School Multipurpose Room in said Stoddard on Tuesday, the twenty first (21st) day of March 2000, next at seven (7:00 PM) of the clock in the evening, to act upon the articles 2 through 32.

ART 2: Shall we adopt polling hours in Stoddard at all State elections beginning with the 2002 State Primary Election under which the polls shall open not later than 11:00 o'clock in the morning?

ART. 3: To see if the Town will vote to adopt the following Ordinance:
DRUG PARAPHERNALIA ORDINANCE

Section 1: Definitions:

- A. *The term "Drug Paraphernalia" means all equipment, products and materials of any kind which are used, intended for use, or designed for use, in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of NH RSA 318-B. It includes, but is not limited to:*
1. *Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing, or harvesting of any species of any plant which is a controlled substance or from which a controlled substance can be derived.*
 2. *Kits used, intended for use, or designed for use in manufacturing, compounding, converting, producing, processing or preparing a controlled substance.*
 3. *Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance.*
 4. *Testing Equipment used, intended for use, or designed for use in identifying or in analyzing the strength, effectiveness or purity of a controlled substance.*
 5. *Scales and balances used, intended for use, or designed for use in weighing and measuring controlled substances.*
 6. *Dilutants and adulterants, such as quinine, hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use or designed for use in cutting controlled substances.*
 7. *Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from or in otherwise cleaning and refining marijuana.*
 8. *Blenders, bowls, containers, spoons and mixing devices used, intended for use, or designed for use in compounding controlled substances.*
 9. *Capsules, balloons, envelopes and other containers used, intended for use, or designed for use in packaging small quantities of controlled substance.*
 10. *Containers and other objects used, intended for use or designed for use in storing or concealing controlled substances.*

11. *Hypodermic Syringes, needles and other objects used, intended for use, or designed for use in parenterally injecting controlled substances into the human body.*
12. *Objects used, intended for use, or designed for use in ingesting, inhaling, or otherwise introducing marijuana, cocaine, hashish or hashish oil into the human body such as:*
 - a. *Metal, wooden, acrylic, glass, stone, plastic or ceramic pipes with or without screens, permanent screens, hashish heads, or punctured metal bowls.*
 - b. *Water Pipes.*
 - c. *Carburetion Tubes and devices.*
 - d. *Smoking and Carburetion masks.*
 - e. *Roach Clips: meaning objects used to hold burning materials such as a marijuana cigarette that has become too small or too short to be held in the hand.*
 - f. *Miniature cocaine spoons and cocaine vials.*
 - g. *Chamber pipes.*
 - h. *Carburetor pipes*
 - i. *Electric pipes.*
 - j. *Air-driven pipes.*
 - k. *Chillums.*
 - l. *Bongs.*
 - m. *Ice pipes or chillers.*
- B. *In determining whether an object is Drug Paraphernalia, a Court or other authority should consider, in addition to all other logically relevant factors, the following:*
 1. *Statements by an owner, or by anyone in control of the object concerning its use.*
 2. *Prior Convictions, if any, of an owner or of anyone in control of the object under any State or Federal law relating to any controlled substances.*
 3. *The proximity of the object, in time and space, to a direct violation of RSA 318-B.*
 4. *The proximity of the object to controlled substances.*
 5. *The existence of any residue of controlled substances on the object.*
 6. *Direct, or circumstantial evidence of the intent of the owner, or of anyone in control of the object, to deliver it to persons who he/she knows, or should reasonably know, intended to use the object to facilitate a violation of RSA 318-B; the innocence of an owner, or of anyone in control of the object as to a direct violation of RSA 318-B should not prevent a finding that the object is intended for use, or designed for use as drug paraphernalia.*
 7. *Instruction, oral or written, provided with the object concerning its use.*
 8. *Descriptive materials accompanying the object which explain or depict its use.*
 9. *National and local advertising concerning its use.*
 10. *The manner in which the object is displayed for sale.*
 11. *Direct or circumstantial evidence of the ratio of sales of the object(s) to the total sales of the business enterprise.*
 12. *The existence and scope of legitimate uses for the object in the community.*
 13. *Expert testimony concerning its use.*

Section 2: Offenses and Penalties:

- A. *Possession of Drug Paraphernalia: It is unlawful for any person to use, or to possess with intent to use, drug paraphernalia, to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body controlled substances in violation of RSA 318-B. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.00), no portion of which may be suspended.*

B. Manufacture or Delivery of Drug Paraphernalia: *It is unlawful for any person to deliver, possess, with intent to deliver, or manufacture with intent to deliver, drug paraphernalia, knowing, or under circumstances where one reasonably should know, that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance in violation of RSA 318-B. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.00), no portion of which may be suspended.*

ART. 4: To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources. (By Petition) The Selectmen recommend this article.

ART. 5: To see if the Town will pass an ordinance in order to protect the lakes, ponds and surrounding watershed areas within the Town of Stoddard, and to maintain the purity of the water therein, for public and private use. The following regulations are adopted and promulgated by the Selectmen of said Town of Stoddard: *1. No person(s) shall feed wild waterfowl within the boundaries of the town of Stoddard. 2. Any person(s) violating the provisions of 1, shall be guilty of a violation and subject to a fine of not more than Fifty Dollars (\$50.00) for each occurrence.* (By Petition) The Conservation Commission and the Selectmen recommend this article.

AUDITORS REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetery Commission, Library Trustees and Boat Permit Agent have been examined pursuant to RSA 41:31 for the year ending December 31, 1999.

In the opinion of these Auditors, the above accounts, together with their financial statements, present fairly the financial position for the year end of the Town of Stoddard. These records also conform with generally accepted accounting principles applied using the cash basis method.

**Respectfully submitted,
Virginia R. GrandPre`, Auditor
*Walter Serbent, Auditor***

STODDARD FIRE & RESCUE DEPARTMENT ANNUAL REPORT

In 1999 we responded and participated in a total of 156 emergency calls and activities: 20 fire calls, 48 rescue responses, 14 motor vehicle accidents, 50 radio calls, 12 training meetings and 12 business meetings.

The Antrim Ambulance Service appropriation request has increased to \$7,500.00. Due to a restructuring effort by the Antrim Ambulance members to receive workers compensation benefits an increase in insurance has been incurred. We are very pleased with the service provided by Antrim to the townspeople. They are currently responding to about 60-70 calls in Stoddard per year in a very timely and professional manner.

Construction continues on the boat building behind the fire station. Through donations, a concrete pad and 16' X 36' structure has been constructed and roofed. We need an additional \$2,000.00 to complete construction and we are asking the townspeople for this appropriation.

We have expanded the capacity of our Jaws for vehicle extrication with the purchase of a small power ram. We also purchased a new radio base station to enhance our radio communication at the station.

The 911 system has enhanced our ability to locate all emergency calls. The mapping system located on our trucks helps us locate the scene in a timely manner. We encourage those who have not numbered their driveways to do so to assist us in the proper location for a faster response time.

Our main concern for the Fire and Rescue Department is its lack of volunteers at this time. State mandates on training qualifications and family demands are taxing our volunteer resources and availability. We are currently trying a recruitment drive and are planning to ask the town for reimbursement to compensate the members for their time.

We greatly appreciate the townspeople's support over the past year.

Respectfully submitted,

Brian Cahill, Fire Chief
Joe Sarcione, Deputy Chief

FOREST FIRE WARDEN'S REPORT 1999

The year 1999 was a very interesting one. We had a very long drought season and the fire danger was very high from early spring until early fall. Throughout the district I responded as a Special Deputy for the State of New Hampshire to about four fires that averaged about 9 acres each. Stoddard was very lucky this year with the help of all the firefighters, deputy wardens and the public we did not have any severe fires. We did respond to a few burns that were unattended or without permits. Rivers and streams were dried up along with the lakes below normal until the early fall when we received substantial rain fall.

Once again we had four fighters at Bear Brook in a state-wide training exercise on deploying fire shelters, portable pumps, fireline construction and swaying. Every year firefighters throughout the state attend this training to develop their skills in forest firefighting. This, of course, is usually a full weekend exercise.

I personally attended a class in Wildland Urban Interface which teaches us how people who live in wildland areas can help to protect their homes from fires, as well as how fires may start from people building homes in the wildlands. If you are interested in knowing how to protect your home from wildland fires or what you can do to help prevent the start of wildland fires, please write me a letter and I will respond back to you with information.

This coming year we will have four new certified state sawyers in our department which will then make a total of five. This will be a big step forward in our methods of fighting fires and making the area safe after.

Don't forget the law requires that a fire permit be obtained when there is no snow on the ground. Please contact me or one of my deputy wardens if there is any doubt. The penalty for having fires without a written permit is \$2,000.00 and or a year in jail.

Remember only you can prevent forest fires.

Joe Sarcione
Forest Fire Warden

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing **ANY** outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

STODDARD POLICE DEPARTMENT REPORT

Stoddard has at this time a Part Time Police Chief and two (2) Part Time Positions for Patrolmen, one of which is filled and the second which is open. The Police Department is seeking applications to fill the second position. In the interest of funding, it is proposed that the position be filled by a currently Certified Officer so that the Police Budget does not have to expend funds to pay for a non-certified person while they are in the part-time Academy. Also, as of 1/1/99, per New Hampshire Police Standards and Training, all newly Certified Officers are required to undergo and pass psychological and physical testing prior to being vested with Police Authority. This is an added expense.

Due to the increased number of complaints from residents, the number of Patrol hours has been increased to 20-25 hours per week. The bulk of patrol hours are spent on Route 123 and roads within the town proper. Other complaints, rescue, accident calls, etc. remain as "on call" through the Keene Mutual Aid Dispatch Center. Both active Officers can be reached either by radio, phone or page.

The Police Department has a building located on Old Forest Road, which accommodates an answering machine, fax machine and, most recently, a computer. The Town provides a 4 Wheel Drive Cruiser, which was lease-purchased in 1995. This enables the Department to respond to the off road, hard to get to, parts of Town.

With the addition of the Departments own computer in mid-1999, efforts are being made to install programs that will enable the Police Chief to provide a more accurate statistical history of its activities. As of this writing, there are no accurate statistics available. Also, the State of New Hampshire Department of Safety is pressing ALL Departments to install compatible programs into their computers to allow direct transfer of information from the Police Department to the State. The Department of Safety has not been able to mandate this proposal due to the lack of funds, however Grants for this funding are in the Legislature. Stoddard has placed its name on the list for a Grant.

Due to the ever increasing number of civil and criminal actions being reported against Police Officers and their Departments throughout the State, this Department has formulated and implemented a Department Policies and Procedures Manual. This manual provides a clear and concise guideline for the Stoddard Police Department personnel to follow. Even though police work is more difficult and dangerous today than it ever has been, the same problems and difficulties experienced in years past exist today. The development and implementation of a well written policy/procedure manual is an extremely important component of law enforcement to help reduce and control these problems and is a valuable tool in providing the public as well as the Officer the safety necessary to perform law enforcement tasks. This also minimizes civil liability.

The problem of Winter Break-ins to cottages and homes is increasing. This may have to be addressed by increasing patrol hours and concentrating on lakefront properties that are left vacant all winter.

Training is on going. With Officer Safety as a major issue it is imperative that classes and schools, when made available to the Department, are attended. Criminal complaints such as Domestic Violence issues, Burglary, Criminal Trespass and Criminal Mischief, just to name a few, are on the upswing in the community. It is imperative that members of this Department update their training continuously to provide maximum service to those in need of these services. Proper training not only insures Officer safety, it also maximizes the safety to the people involved, including the offender.

When addressing future needs of the Department, a four-door Cruiser should be considered when the present unit is replaced. Transporting subjects who are under arrest in the two-door Bronco we now have is not in keeping with safety. It requires the Officer to place the arrested subject in the front passenger seat next to the Officer; putting his weapon and steering controls within reach. Should the subject slip a cuff, he now becomes a hazard to the Officer and most importantly dangerous to other people and vehicles.

The present building used for the Department needs to be enlarged for purposes of providing a training area.

The radio systems used by the Department will need to be updated to the Digital System which is now in use by the State. Unless our radios are updated to that level, this Department will not be able to communicate with Dispatch Centers or other Police Departments within a short time.

I would encourage any resident, either year round or summer, who have any questions or comments about the Police Department to contact me so that a proper response to the issue can be made. This Department is here to serve you and the community at large.

I wish to thank the Townspeople for their continued support and assistance over the past year. A special "Thank You" to Officer Roger Turcotte for his dedication and his administrative skills. I have enjoyed working with Animal Control Officer Joan Zelasny and the Stoddard Fire & Rescue Department. Thank you all for your cooperation and support.

All Town employees deserve a vote of gratitude for their fine work during the 1999 year. I feel Stoddard is extremely fortunate in having a nucleus of conscientious and dedicated employees and volunteers who contribute to making this town an enjoyable and affordable community.

In closing, we wish to remind everyone that in case of an Emergency please call 911. If it is not an Emergency and you would like to talk to a Stoddard Police Officer, you can reach us either at the Department, 446-3597, or through Mutual Aid non-emergency, 352-1291.

PLANNING BOARD REPORT 1999

1999 proved to be an active year for the Stoddard Planning Board. In addition to the normally scheduled meetings, the Planning Board held several work sessions, continued Public Hearings and conducted two site visits for Site Plan Review during the year.

Two subdivisions were approved. One located on a privately maintained road of a subdivision built before the Planning Board was created, was approved with a variance by the Zoning Board of Adjustment. The second, a two lot subdivision and immediate voluntary merger of the resultant lots to the contiguous abutters' lots. Two Site Plan Reviews were completed and approved for local businesses.

Many hours have been spent in normal and special meetings to review our current Site Plan Review Regulations with the goal of clarifying and simplifying the Site Plan process. This effort should be completed early in 2000.

A significant development concerning the Stoddard Master Plan occurred as an outcome of the Stoddard Vision 2000 effort in the fall. The Vision 2000 process identified updating of the Master Plan to be a top priority and as a result formed a citizens advisory committee to the Planning Board for the purpose of acting as a research vehicle for the Master Plan update. The Planning Board sanctioned the Master Plan Advisory Committee in October and their assistance is welcomed. These committee meetings are open to all in Stoddard and everyone is encouraged to participate in the process. I ask that you support this effort in the coming year.

I would like to thank all the members of the Board for their patience and support during this past year. Your commitment and enthusiasm is greatly appreciated. In addition, a special thanks to Patricia Campbell and Patricia Putnam for their assistance in my transition to Planning Board Chair.

ZONING BOARD OF ADJUSTMENT 1999

1999 was a time of learning for the ZBA. Several members attended the fall classes scheduled by the NH Municipal Association. We are presented with diversified applications, and any knowledge we can collect that helps us render a decision is also welcomed.

New this year, at two consecutive meetings of the Board, it was voted that it would become Board policy to conduct an "on site" inspection for all applications that we are presented with. We have found that this physical inspection and walking the lines that will become affected by our decision has helped immensely in our decision making process.

Our second big "change" is that all findings will contain a breakdown/reasons for our decision. When a property receives a special exception or variance, this information is added to the affected property file. As the variance or special exception continues when a property changes ownership, present and future Selectmen should find this most helpful.

This year we welcome two new members to the Board: Virginia Kiehn and Fred Ward! Eric Kiehn served the ZBA for 5 years and we would like to extend our thanks for his contributions. Richard Betz served the ZBA for over 2 years but has stepped down as a full time member, and we are grateful that he remains on the Board as an alternate! We welcome back Roscoe Putnam who served as a full member but was unable to continue due to new employment; however, Roscoe has come back on as an alternate. Life's pressures are always changing the size of the ZBA, usually shrinking the membership! This is the first time, since I was first appointed over 10 years ago, that we have 5 full members and 2 alternates all at the same time!

REPORT OF ANIMAL CONTROL DEPARTMENT 1999

The Animal Control responded to 71 animal related incidents during the year. Stoddard Police Department also responded to many of the calls received. Their continued support and assistance is very much appreciated.

Of the calls responded to, they were of the following nature: 1 Animal Welfare; 1 Assist other ACO; 2 dog bite; 4 hit by car (2 dogs survived, 1 dog and 1 cat did not); 17 reports of Stoddard dogs running loose (many of the reports involved the same owner - notice I do not blame the dog(s).); 3 reports of horses running loose (all were returned to their pastures safely); 4 lost cats (3 returned home safely); 9 dogs reported missing by owners (all returned, eventually), 5 wildlife complaints, 8 nuisance (mostly complaints of noise caused by chronic barking), 10 stray dogs (1 never claimed, but adopted by people who happened to see his plight on Route 9, and all others reclaimed by owners).

The final one was stray cats. There were 6 stray (3, unfortunately, possibly dropped off by former owner). The 3 kittens (veterinary determination was age 8 weeks or so) were black and white in color and were found in 3 distant locations from each other. It is hard to imagine a more callous fate for these infants during a very cold period of weather this past Fall. There are too many resources for these creatures to find a safe haven to condone such a cruel and unkind action. We happen to have a very kind and caring community in regards to animals and it is unacceptable to believe someone actually could commit such an action against such a helpless creature in this Town.

The Town of Nelson again invited Stoddard to join in a Rabies vaccination clinic at their Town Hall this past April. While overall attendance was down from last year, many Stoddard residents took advantage of vaccination and licensing of their pets at the Clinic.

Please remember, the best hope of finding a lost pet is early communication. Post notices on the various bulletin boards, notify Animal Control, Stoddard Police, call the Monadnock Humane Society, contact your neighbors. There is no such thing as excess when a pet wanders away from home. You can contact me at home, 446-7502 or work 446-3302. If I am unavailable at the time, please contact the Stoddard Police Department though Fire Mutual Aid in Keene.

DAVIS PUBLIC LIBRARY

The Library is open Thursday evenings from 7:00 to 9:00 p.m. and on Saturday mornings 9:30 to 10:30 a.m.

Approximately 500 books, magazines, videotapes and audio books were donated to the library in 1999. 150 new books and videos were also purchased during the year. The library currently receives *National Geographic*, *Smithsonian*, *Country*, *Guidepost for Kids*, *Dartmouth Medicine*, *Boys Quest*, *Highlights for Children*, *Success*, *Taste of Home* and *Quick Cooking* magazines.

Three tubs of flowers were placed at the library this year by Mary Lou Stymest in memory of John Secco. She cared for them throughout the season.

Jerome Riesenbergen of Connecticut Valley Office Machines donated a copier stand and paper, and contributed his time to clean and check the library photocopier.

The library continues to subscribe to the Junior Literary Guild, receiving three new award winning books of different reading levels each month. The library now has a large collection of videotapes and a smaller collection of audio tapes. Earle Lund and Alan Rumrill designated their Rotary Bookshelf contributions to the Davis Library during 1999. Louise Johnson and Phyllis Sawyer also made cash contributions.

We extend our thanks to all of those who made donations to the collections during 1999. These included Phyllis Sawyer, Lena Vaillancourt, Pat Putnam, Pat Hebert, Mr. & Mrs. James Kelly, Tom Chagnon, Ruth Moe, Eunice Fiske, Patty Hill, Marline Leotta, Louise Johnson, Joan Zelasny, Pat Campbell, Angelina Rollo, Vita Ostrowski, Ray Colclough, Do Secco, Robert & Beverly Murray, Ralph & Harriet Beckwith, Nancy Bailey, Kathleen Kingsbury, Alan Rumrill, and anyone else inadvertently left off this list.

STODDARD CONSERVATION COMMISSION

1999 Summary

1999 represented a year of both change and growth for the Stoddard Conservation Commission. In June, former Chair, Jo Anne Carr resigned from the Commission, leaving just two active Commission members for the busy summer season. As a result of the personnel shortage, the lake monitoring program was not as well coordinated as it has been in the past, but thanks to the lay monitors of all our lakes, the testing continued. A summary of the 1998 testing season is summarized in the Lakes Monitoring report.

On Thursday, July 8th, the Conservation Commission hosted a workshop on New Hampshire's Comprehensive Shoreline Protection Act (CSPA). Gary Springs from the Department of Environmental Services gave a very effective computerized program that was projected onto a big screen. The 1994 CSPA sets minimum standards and requirements for the development, use and subdivision of all land within 250 feet of the water's edge. Protecting shoreland is essential for maintaining water quality in our lakes and rivers. Unfortunately, this program was poorly attended.

In Stoddard, waterfront owners on all lakes continue to violate provisions of the CSPA, by cutting and removing trees and roots within 150 feet of the shoreline; by disturbing soil within 250 feet of the shoreline without following Best Management Practices for erosion control; by making improvements to existing beaches or by creating new beaches without obtaining a permit and following the proper procedure; and by building or placing docks that do not conform to sizes that correspond with their respective frontage. Making sure that waterfront property owners are aware of the provisions of the CSPA remains the biggest challenge to the Conservation Commission and the various lake associations. Violations of the CSPA represents one of the biggest threats to the water quality of our many lakes.

As in the past, the Conservation Commission would like to remind folks that any work involving dredging or fill in wetlands, including the placement of docks, piers, beaches, abutments, retaining walls, etc., or new construction within 250 feet to lakes and ponds requires an application to the NH DES. In addition, the Town has established a 50 foot buffer zone to wetlands and surface waters. No alteration is allowed in that Zone for new construction projects, except by special exception granted through the Zoning Board of Adjustment.

For the second year, the Conservation Commission coordinated two Household Hazardous Waste Collection days in conjunction with the City of Keene's recycling program. Collections are held on Saturday mornings at the Keene recycling center off of Route 12, north of Keene. This year only 6 households participated, which is down significantly from last year. It is the responsibility of every citizen to make sure that household hazards such as batteries (auto and disposable flashlight batteries, etc.), poisons, lawn and garden herbicides/pesticides, engine oils, oil based paints, thinners, anti-freeze, etc. are taken to the recycling center and not just tossed "out back" or in a trash bag that goes into the dumpster. With 270 million people in this country, we all need to make a responsible effort to dispose of our hazardous materials in an environmentally sound manner. Otherwise, it will wind up in someone's drinking water....perhaps yours. Collection dates for this year will

include a spring and fall collection. Look for dates and time in the local papers and at the transfer station.

The Stoddard Community profile generated strong interest in the Town's natural resources and concern for their protection. As a result of this interest, several new members joined the Conservation Commission, bringing the total to 5 full members and one alternate. The Conservation Commission meets every 2nd Thursday of each month, 7 p.m. at the Town Hall.

Two members of the Conservation Commission attended the 29th Annual Meeting of the NH Association of Conservation Commissions in Concord, NH on Saturday, November 6, 1999. They attended workshops in "Dealing with Growth", "Wetlands and Wetlands Permitting" and "Natural Resources Inventories on Conservation Land".

Lake Monitoring Program

Lakes Report Summaries/Concerns - 1998 Sampling Season

Note - the Lakes Reports are issued the winter following the sampling season. Therefore to be included in the Town report, the summary is that of the previous year. For the 1999 summaries contact your lake monitors in March 2000.

Algae: Algae are microscopic, free floating plants found in lakes that are a natural and necessary part of any lake's food chain. However, an overabundance of algae may result from excess nutrients entering the lake from the surrounding watershed. Algae concentrations are monitored by measuring the chlorophyll-*a* concentrations in the water. Large fluctuations of algae from one year to the next could be an indication of nutrient enrichment or contamination, which is not desirable. For all of Stoddard's lakes, stable levels of chlorophyll are desirable.

Granite Lake: Chlorophyll-*a* concentrations appear to be stabilizing. Concentrations were only slightly higher this year than in recent years.

Island Pond: Chlorophyll-*a* concentrations appear to be stable.

Highland Lake: Chlorophyll-*a* concentrations appear to be improving, indicating a decrease in algae concentrations.

Center Pond: Chlorophyll-*a* concentrations appear to be slightly worsening, indicating increasing concentrations of algae.

Identifying sources of nutrients in the watershed and developing techniques to reduce their impacts will help keep algae at a normal, healthy level.

Water Transparency: Water clarity or transparency is the simplest indicator of water quality in our lakes, and is measured using a Secchi disk. The transparency of lakes may be impacted by many factors, including algae abundance, sediment suspended in the water as a result of erosion, and natural tea coloring of the water. Weather may also play an important part; many NH lakes had murkier waters in 1998 as a result of the exceptional rains in June (over 11" according to my Tree Farm rain gauge). Heavy rains wash away materials on unstabilized roads, erode unvegetated shorelines, wash over paved surfaces, and flush out wetlands.

Granite Lake: Transparency is improving.

Island Pond: Transparency has a stable trend.

Highland Lake: Transparency is improving.

Center Pond: Transparency has a stable trend.

Phosphorus: Phosphorus is the nutrient which regulates the growth of algae and aquatic plants. Keeping phosphorus levels low will ensure healthy low levels of algae in the lake and prevent the lake from aging unnaturally fast.

Granite Lake: Phosphorus levels in the upper layer of the lake is stable, while the lower layer is showing a slightly worsening trend (levels increasing).

Island Pond: Phosphorus levels in upper and lower levels show an improving trend.

Highland Lake: Phosphorus levels show a stable trend, however, there are seasonal fluctuations in certain parts of the lake.

Center Pond: Phosphorus levels show a general improving trend, however, the lower layer continues to be elevated above the upper layer concentrations. The low oxygen concentrations on the bottom are due to decomposition, which triggers phosphorus release from the mud. Since this natural process adds phosphorus to the water, prevention of nutrient-laden runoff from the watershed is all the more important.

Residents who live in the watersheds of lakes must understand the connection between what they do on their land and the quality of the lake. Prevention of pollution and awareness are the key to keeping phosphorus levels from increasing.

Bacteria Counts: The feces of any warm blooded animal contains *E. coli* bacteria as well as other pathogens. While *E. coli* itself is not particularly harmful, the associated pathogens which often accompany it can be. In 1998 and 1999, as many as 60 geese have been observed at any one time on the south end of Highland Lake, near the boat launch. Feeding waterfowl not only encourages them to stay in one place, creating a public health hazard, but it also creates a dependency on humans. Geese may not follow necessary migration patterns, and young geese may not learn to properly feed themselves.

Since geese defecate several times per day, much of it directly into the water, this can lead to a significant source of phosphorus enrichment, which can lead to algae blooms. *E. coli* concentrations in the area of the geese on the southern end of Highland Lake were greater than 200 counts per 100 mL in 1998. In 1999, they were 88 counts per 100 mL. In 1999 a very high *E. coli* count of 1,295 counts per 100 mL was observed in Crescent Pond, a small pond draining to the Highland Lake tributary, Carr Brook.

The NH Department of Environmental Services (DES) has encouraged the Town to 1) support further testing to pinpoint bacterial sources, and 2) encourage the residents to stop feeding the geese.

A petition for a Town Warrant Article, prohibiting the feeding of waterfowl has been submitted for the voters' consideration at the March, 2000 Town Meeting.

Bacteria counts were very low or undetected in Center Pond, Island Pond and Granite Lake. For additional information on observations and field notes for the four Stoddard Lakes, for the 1998 monitoring season, contact the Conservation Commission.

For information regarding Wetlands Dredge and Fill Permits, Standard Criteria For New & Existing Dock Construction, or the Shoreline Protection Act (working 250 feet or less from the lake shore), contact the Conservation Commission (446-3439) or the Department of Environmental Services (603-271-2457) or visit their website: <http://www.state.nh.us>

**HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF STODDARD
JANUARY 1, 1999 TO DECEMBER 31, 1999**

Annual Report

In 1999, Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Stoddard. The following information represents a projection of HCS's activities in your community in 1999. The projection is based on actual services provided from January through September 1999 and an estimate of usage during October, November and December.

Service Report

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	157 Visits
Physical Therapy	41 Visits
Speech Pathology	0 Visits
Occupational Therapy	0 Visits
Medical Social Work	19 Visits
Homemaker Hours	0 Hours
Adult In-Home Care	10 Hours
Home Health Aide	124 Visits
Home & Community Based Care*	1,126 Hours
Nutritionist	0 Visits
Health Promotion Clinics	4 Clinics

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 30

Prenatal care, hospice services, regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 1999 with all funding sources is projected to be \$45,328.50.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2000, we request an appropriation of \$800.00 to meet the home care needs of Stoddard residents.

Thank you for your consideration.

**GRANITE LAKE VILLAGE DISTRICT
MEETING JULY 11, 1999**

The annual meeting of the Granite Lake Village District commenced at approximately 1:00 p.m., July 11, 1999 in order to vote on the following articles.

Article 1. To choose one Commissioner, David Knight, for a term of three years; and to see whether the inhabitants of the district will elect for the offices of Clerk, Sally Ripley, Moderator, John Halter, Treasurer, Tom Yocono, each for a one year term.

The motion to accept as read was appropriately moved and seconded. The vote was in the affirmative.

Article 2. To see if the district will vote to authorize the commissioners to borrow in anticipation of taxes.

The vote was appropriately moved and seconded.

The vote was affirmative.

Article 3. To see if the district will vote to raise the sum of \$500.00 to defray village district expenses for the ensuing year and make appropriations of the same.

The motion was appropriately moved and seconded. Vote was affirmative.

Article 4. To see if the district will raise and appropriate the sum of \$1000.00 to purchase liability insurance to cover the district.

The motion was appropriately moved and seconded. Vote was affirmative.

Article 5. To see if the district will raise and appropriate the sum of \$500.00 to add to the capital reserve fund for dam maintenance and repair. The motion was appropriately moved and seconded. Vote was affirmative.

Article 6. To see if the district will accept funds from the Granite Lake Association and from any other source for the purpose of maintaining, repairing, and replacing and dam.

The motion was appropriately moved and seconded. Vote was affirmative.

Article 7. To see if the district will schedule its annual meeting directly following the Granite Lake Association annual meeting in July, 2000.

The motion was appropriately moved and seconded. Vote was affirmative.

Article 8. To see if the district will vote to place the sum of \$4000.00 now in the capital reserve fund into a certificate of deposit.

The motion was appropriately moved and seconded. Vote was affirmative.

A move to adjourn was appropriately moved and seconded. The vote was affirmative and the meeting adjourned at approximately 1:20 p.m.

Respectfully,
Sally Ripley, Clerk

You are hereby notified to meet at the Stoddard School Multipurpose Room in said Stoddard on Tuesday, the sixteenth (16th) day of March 1999, next at Seven (7:00 PM) of the clock in the evening to act upon the articles 4 through 31.

Moderator Daniel Eaton opens the meeting with the pledge of allegiance led by Lucy Hill. A moment of silence for 3 residents who have passed away recently followed. Wally Weaver, Sr., John Secco and Ethel Horsfall. They

will be truly missed.

Art. 4: To see if the Town will vote to raise and appropriate the sum of \$500.00 to maintain E-911 records. The Selectmen recommend this appropriation. Moved by Louis GrandPre'. Seconded by Dennis Marquis. Article 4 is adopted.

Art. 5: To see if the Town will vote to raise and appropriate the sum of \$200.00 for the operation of the Stoddard Conservation Commission. The Conservation Commission and the Selectmen recommend this appropriation. Moved by JoAnn Carr, Seconded by Carol Hoffman. Article 5 is adopted.

Art. 6: To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for the Lay Monitoring Program. The Conservation Commission and the Selectmen recommend this appropriation. Motion by JoAnn Carr, Seconded by Carol Hoffman. Article 6 is adopted.

Art. 7: To see if the Town will vote to raise and appropriate the sum of \$500.00 for the residents of Stoddard to participate in four (4) Town household hazardous waste collection days at the City of Keene Recycling Center. Collection dates are scheduled for 4/24, 5/15, 6/5 & 6/19-1999 from 8AM-1PM. The Conservation Commission and the Selectmen recommend this appropriation. Article 7 is adopted.

Art. 8: To see if the Town will vote to raise and appropriate the sum of \$52,000.00 for the operational expenses of the Stoddard Recycling and Transfer Station. The Selectmen recommend this appropriation. Moved by George Davenport, Seconded by Dennis Marquis. AMENDMENT by Louis GrandPre' to raise and appropriate the sum of \$60,560.00 for the operational expenses of the Stoddard Recycling and Transfer Station. Seconded by Dennis Marquis. As of April 15 the Keene Landfill will be closing and all rubbish will have to be transported. With no objection Dennis Stewart from Waste Management speaks on the issue and the additional costs. No further discussion on the article. Article 8 is adopted as amended unanimously.

Art. 9: To see if the Town will vote to raise and appropriate the sum of \$4,225.00 for the operation and maintenance of the Davis Library. The Library Trustees and the Selectmen recommend this appropriation. Motion by Frances Rumrill, Seconded by Lucy Hill. Article 9 is adopted.

Art. 10: To see if the Town will vote to raise and appropriate the sum of \$20,215.00 for the operation budget of the Stoddard Fire and Rescue Department for the ensuing year. The Fire & Rescue Department and the Selectmen recommend this appropriation. Moved by Brian Cahill, Seconded by Joe Sarcione. Article 10 is adopted.

Art. 11: To see if the Town will vote to raise and appropriate the sum of \$23,976.00 for the lease payment of the four-wheel drive front line

pumper Fire engine. The Fire and Rescue Department and the Selectmen recommend this appropriation. Motion by Brian Cahill, seconded by Joe Sarcione. Brian Cahill reports there are three more payments on the truck, then the Town gets to buy it for \$1.00. Article 11 is adopted.

Art. 12: To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for Antrim ambulance service for the ensuing year. The Fire & Rescue Department and the Selectmen recommend this appropriation. Motion by John Wilder, seconded by Candy Wilder. Article 12 is adopted.

Art. 13: To see if the Town will vote to raise and appropriate the sum of \$500.00 for Marlow ambulance service for the ensuing year. The Fire & Rescue Department and the Selectmen recommend this appropriation. Motion by John Wilder, seconded by Candy Wilder. Article 13 is adopted.

Art. 14: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purchase of building material, to construct a building behind the Fire Station to house the Rescue Boat. The Fire & Rescue Department and the Selectmen recommend this appropriation. Motion by Joe Sarcione, seconded by Shannon Sarcione. Brian Cahill reports due to some environmental issues that have to be addressed, makes a motion to indefinitely postpone Article 14. Seconded by Joe Sarcione. Article 14 is indefinitely postponed.

Art. 15: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the operating budget of the Stoddard Fire Warden. The Fire Warden and the Selectmen recommend this appropriation. Motion by Joe Sarcione, seconded by Shannon Sarcione. Article 15 is adopted.

Art. 16: To see if the Town will vote to raise and appropriate the sum of \$30,500.00 (\$6,500.00 to be raised by - \$24,000.00 in revenue) for the purpose of clean-up/damage caused during the 1998 ice storm. This grant from the NH Ice Storm Community Forestry Grant approved by the Governor and Council. The Selectmen recommend this appropriation. Motion by Dennis Marquis, seconded by Louis GrandPre'. Louis GrandPre' Selectman reports that \$24,000.00 is a Grant, but there is a requirement for the Town to match that with \$6,500.00 in order for the Town to get the grant. Some discussion on the roads which need clean up. Article 16 is adopted.

Art. 17: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the purchase of a second hand one ton four-wheel drive vehicle to replace the old surplus three-quarter ton vehicle, known as the brush truck. The Fire Warden recommends this appropriation. The Selectmen recommend this article on a two to one vote. Motion by Joe Sarcione, seconded by Shannon Sarcione. Discussion follows. Joe reports the old trucks roof is ripped open, there are mechanical problems and parts are not available. After further discussion, Article 17 is adopted.

Art. 18: To see if the Town will accept a 7/10ths of a mile section of Kings Highway, extending from the Hidden Lake Civic Association sign/map south to that portion of Kings Highway that is currently a Town Highway, as a Town Highway (Class V). The cost for conforming the highway to the Town's construction standards and requirements, if necessary, are to be allocated by way of a betterment assessment on the owners of property abutting and served by Kings Highway as provided for by RSA 231:29. (By Petition) The Selectmen have no recommendation on this article. Motion by Cheryl Woods, seconded by Tim Hogue. Discussion by Cheryl Woods explaining what needs to be done. The Selectmen would see that the portion of road would be brought to Town standards. The Selectmen would notify all the property owners, have a public hearing and the owners of the property would be charged a betterment tax.

AMENDMENT by Harry Power to change the wording of the article as suggested by Town counsel. The article would then read: To see if the Town will vote pursuant to RSA 231:22-a to reclassify from class VI to class V, a seven tenths (7/10) of a mile section of Kings Highway extending from the Hidden Lake Civic Association sign/map south to that portion of Kings Highway that is currently class V; such reclassification to be conditional upon compliance with betterment assessments as provided in RSA 231:28-33. The public hearing required by RSA 231:28 shall be held within 120 days. Seconded by George Davenport. The Amendment passes unanimously. Discussion on the amendment. Bill Robinson the Lawyer representing the HLD is allowed to speak. He explains the Betterment assessment. The public hearing would have all the information on costs involved and answers to any questions. Brian Michaud moves to limit debate, seconded by Gordon Garnett. Article 18 is adopted. as Amended.

Art. 19: To see if the Town will vote to raise and appropriate the sum of \$119,854.00 for Winter and Summer maintenance, emergencies and planned repair of Town roads and bridges. The Selectmen recommend this appropriation. Motion by David Vaillancourt seconded by Joe Sarcione. Article 19 is adopted.

Art. 20: To see if the Town will vote to appoint the Selectmen as agents to expend funds in the Shedd Hill Bridge Capital Reserve Fund created in 1994. The Selectmen recommend this article. Motion by Louis GrandPre', seconded by Dennis Marquis. The bids on the bridge would definitely go out this year according to Louis GrandPre'. Article 20 is adopted.

Art. 21: To see if the Town will vote to raise and appropriate the sum of \$128,570.00 to defray Town charges for the ensuing year. The Selectmen recommend this appropriation. Moved by Dennis Marquis, seconded by Louis GrandPre'. Discussion follows. Article 21 is adopted.

Art. 22: To see if the Town will vote to raise and appropriate the sum of \$24,000.00 for the operating budget of the Stoddard Police Department. The Police Department and the Selectmen recommend this appropriation. Motion by David Vaillancourt, seconded by

JoAnne Vaillancourt. Article 22 is adopted.

Art. 23: To see if the town will vote to raise and appropriate the sum of \$2,635.00 as the operating budget for the Stoddard Planning Board for the ensuing year. The Stoddard Planning Board and the Selectmen recommend this appropriation. Moved by Harry Power, seconded by Frances Rumrill. Article 23 is adopted.

Art. 24: To see if the town will vote to raise and appropriate the sum of \$711.00 for the membership to the Southwest Region Planning Commission for the ensuing year. The Stoddard Planning Board and the Selectmen recommend this appropriation. Motion by Harry Power, seconded by Frances Rumrill. Article 24 is adopted.

Art. 25: To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for the operating budget of the Stoddard Zoning Board for the ensuing year. The Stoddard Zoning Board and the Selectmen recommend this appropriation. Motion by Beverly Power, Seconded by Louis GrandPre'. Article 25 is adopted.

Art. 26: To see if the Town will vote to raise and appropriate the sum of \$1,160.00 for the purchase of an Intel Pentium 233 MHz computer with Windows 98 operating system and Lexmark printer for use by the Planning Board, Supervisors of the Checklist and Zoning Board of Adjustment. The Planning Board, Supervisors of the Checklist, Zoning Board of Adjustment and the Selectmen recommend this appropriation. Discussion: George Davenport asks the PB if this system will be large enough for all the departments. Harry Power feels this will be adequate for at least 4 years. AMENDMENT by George Davenport to raise the sum of \$2,000.00 for the purchase of a computer Windows 98 system and printer, to be used by the Planning Board, Supervisors of the Checklist and the ZBA. On a voice vote the AMENDMENT fails. Article 26 is adopted as presented for \$1,160.00.

Art. 27: To see if the Town will vote to raise and appropriate the sum of \$800.00 to Home Health care, Hospice and Community Services (HCS) to support the continuance of home and health services being provided to the residents of Stoddard. (By Petition) The Selectmen have no recommendation on this article. Motion by Joan Zelasny, seconded by Joanne Carr. Article 27 is adopted.

Art. 28: To see if the Town will vote to raise and appropriate the sum of \$630.00 for services provided by Monadnock Family Services to uninsured and underinsured residents of Stoddard. (By Petition) The Selectmen have no recommendation on this article. Motion by Joan Zelasny, seconded by George Davenport. Discussion follows. Article 28 is adopted.

Art. 29: To see if the Town will vote to raise and appropriate the sum of \$1,474.00 to help support the work of the Community Kitchen Inc., in Keene, N.H. (By Petition) The Selectmen have no recommendation on this article. Motion by Jean Slepian, seconded by Joan Zelasny.

Jean Slepian reports on the Community Kitchens records for residents of Stoddard that have used their services. 58 individual persons, 17 households have participated in 1998. More discussion follows. A gentleman would like to speak on behalf of the Community Kitchen. There is objection to his speaking. There is concern to spending tax dollars on public benefits and more discussion. On a standing vote it was clear to the Moderator Art. 29 passed. Article 29 is adopted.

Art. 30: To see if the Town will agree to form a Recreation Commission consisting of three residents appointed to three year staggered terms pursuant to RSA 35-B:4 (By Petition) The Selectmen recommend this article. Motion by Tim Hogue, seconded by Gordon Garnett. Article 30 is adopted.

Art. 31: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be used by the Recreation Commission to further the development of the ball field beside the James Faulkner Elementary School and to promote recreation in the Town. (By Petition) The Selectmen recommend this article. Motion by Chet Pratt, seconded by Tim Hogue. Discussion follows. Article 31 is adopted.

Any other business to come before this meeting:

The Moderator asks anyone who has been elected to come forward to be sworn in.

Doe Secco thanks everyone for putting the Memorial for her husband John Secco, Sr. in the Annual Town Report. John passed away July 23, and he will be missed by all.

Joanne Carr reports that there will be a meeting of open discussion on March 23 at 7:00 PM at the Stoddard Multipurpose room. Everyone is invited to attend. The intent is to begin a Community Profile supported by Antioch for the future of our Town above and beyond our Zoning Ordinances.

Moved and seconded to adjourn.

The meeting was adjourned at 9:20 p.m.

MINUTES OF JULY 10, 1999 PUBLIC HEARING

Town of Stoddard/Public Hearing

NOTICE OF PUBLIC HEARING

Pursuant to RSA 231:28 you are hereby notified that a Public Hearing will be held on July 10, 1999, 1:00 PM at the Hidden Lake Civic Association Clubhouse Building in Stoddard, N.H.

The purpose of this Public Hearing is for the Stoddard Selectmen to inform all owners of property abutting or served by Kings Highway (specifically, a seven tenths (7/10) of a mile section of Kings Highway extending from the Hidden Lake Civic Association sign/map south to that portion of Kings Highway that is currently Class V) of the details for the proposed construction or repairs, the estimated costs thereof, and the related Betterment Assessments proposed to cover the costs of the proposed road improvements to reclassify the said seven tenths (7/10) of a mile section of Kings Highway from Class VI to Class V.

This Public hearing responds to petitioned Warrant Article 18 of the March 16, 1999 Stoddard Town Meeting.

RSA 231:28: CONDITIONAL LAYOUT FOR EXISTING PRIVATE RIGHTS-OF-WAY OR CLASS VI HIGHWAYS.

Whenever, pursuant to the provisions of this chapter, the Selectmen receive a petition to lay out roads over existing private rights-of-way or to lay out a Class V highway over an existing Class VI highway and such private right-of-way or Class VI highway does not conform to construction standards and requirements currently in effect in the Town, the Selectmen may conditionally lay out roads upon compliance with betterment assessments as provided in this section and in RSA 231:29-33. Prior to commencement of conditional layout, however, a public hearing shall be held, written notice of which shall be given by the appropriate governing board to all owners of property abutting or served by the private right-of-way or class VI highway, at least 14 days before the hearing, at which hearing details of the proposed construction, reconstruction or repairs and the estimated costs thereof shall be presented by the Selectmen. Conditional layout proceedings may commence 10 days following the public hearing unless within that period a petition not to conditionally lay out said thoroughfare signed by a majority of the owners of property abutting or served by the existing private right-of-way or class VI highway is received by the Selectmen. If a highway is so laid out, the Selectmen may construct, reconstruct, repair or cause to be constructed, reconstructed or repaired such highways, streets, roads, or traveled ways to conform in every way with the highway or street construction standards and regulations previously established by the Town. The betterment assessments shall be assessed under the provisions of RSA 231:29.

The meeting on July 10, 1999 was opened by Moderator Daniel Eaton. Also present was Town Clerk, Joan Read, Selectmen, Louis GrandPre, John

Halter and Dennis Marquis. Check list verification taken care of by Pauline Marquis and Virginia GrandPre`.

Discussion follows: After the discussion there will be one vote per property owner.

Some concerns of discussion:

The areas to be cleared for widening of the road.

Costs involved in maintaining. Once a road becomes a Class V the Town will maintain the road.

Betterment Assessment:

\$60,000.00 Town Share

\$60,000.00 Betterment Assessment

Estimated 249 Users and Abutters which equals \$240.97 each. If this passes today, the next step in the procedure will be to petition the Superior Court for a Special Town Meeting for the voters to come back (pursuant to the Warrant Article passed in March) to raise and appropriate some money which would be approximately \$120,000.00. \$60,000.00 of this would come from the Betterment Tax.

Motion to limit debate moved and seconded. Moderator calls for a ballot vote.

There were 48 voters

43 YES and 5 NO

Process is adopted, on the Special Town Meeting.

The Petition filed with the Superior Court, State of New Hampshire Cheshire County was denied on August 13, 1999.

“The Court does not conclude that the Town’s request meets the criteria for calling of a special meeting as outlined in IN RE Mascoma Valley Regional School District, supra. The Town’s request for a special Town Meeting is, therefore, denied.”

Respectfully submitted:

School Board Report

Once again, we had another successful year at the James Faulkner Elementary School, largely due to our dedicated staff, parents and volunteers who so unselfishly give many hours of their time to our school and its programs.

This year has brought with it many new staff members: Nancy Kowalski, Kindergarten and first grade teacher; Bob Henry, full-time Special Education teacher; Marie-Lise Reilly, part-time Art and French teacher; Stacy Sprague, Food Service, and Helen Hayes, Secretary.

Highlights and changes for this school year include:

- Maggie Sergeant and the James Faulkner Elementary School were featured in Newsweek Magazine. The article focused on Maggie's dedication to setting up access for our students to the internet and the obstacles she has overcome with very little money and few supplies.
- SAU #29 in Keene was invited to a board meeting to update the Stoddard School Board on the cost and options of joining. Phil McCormack, Superintendent, and Deanne Haskell, Assistant Superintendent, attended the meeting. The result was about a \$3,000. increase over the Stoddard School District portion of being in SAU #24. The school board decided to remain with SAU #24 at this time.
- Lynn Jarest resigned from the Stoddard School Board. Russ Huntley agreed to complete this year's term and will run for the 3 year term.
- Sherry LaPointe resigned as board secretary. Helen Hayes was appointed to replace her.

James Faulkner Elementary School currently has 48 students in grades K – 5 and four elementary students in the Washington School District. There are twenty students at Keene Middle School and twenty-two at Keene High School. The Keene School District has initiated a new procedure of separating regular and special education tuition charges commencing with the 2000-2001 school budget.

The board and staff have worked exceptionally hard this year at keeping costs down while maintaining a quality education. There are two projects the board will address in the near future: installing a water purification system and paving the remainder of the entrance and driveway at the school.

The board would like to thank all of our staff for their endless hours of hard work and the positive atmosphere they have created at our school. The results show throughout the student body and the community, where we have received many positive comments. Special thanks also to Lisa LaFleur and Warren Sergeant who have volunteered countless hours at our school and to all of the other volunteers who have helped make our school the great environment it is. Thank you for a great year!

Principal's Report

This past year was one of enjoyment for all of us at the school. With our new multipurpose room, we have been able to expand into some wonderful programs for our students. All areas of our curriculum have been greatly improved due to this new space. The entire school can now meet together as one in a comfortable setting. Students have been able to proudly display their projects, and perform their school programs right in their own school building! Along with the new addition, we have some new staff members that have joined the James M. Faulkner Elementary School.

Our new K/1 teacher is Nancy Kowalski. Nancy has her BA from Kean College of New Jersey, and a Special Education Certification from the New Hampshire University System. Her teaching career includes experience and certifications in the areas of elementary education and special education, with a focus on reading instruction and remedial reading, and she has taught at the preschool level.

Finally, this year, the part time special educator position has been upgraded to a full time position! Filling this position is Bob Henry. Bob has a Master's Degree with a specialization in emotional and behavioral disorders. He taught a Life Skills Curriculum at Hillsboro-Deering High School, and also attended the Culinary Institute of America in Hyde Park, N.Y.

One of the biggest additions to the school is a full time secretary! Teachers can now spend more time with students, and less time on the phone, or greeting visitors. Helen Hayes has taken on this large task. Helen is a resident of Stoddard, who actually attended school in Stoddard. Before coming to work at the school, she spent four and a half years working for the Bank of N.H. as a teller and Customer Service Representative.

Looking back to the spring of 1999, the K/1 class spent some time studying plants, birds, and butterflies.

In the spring of 1999, the second and third grade studied fairy tales in an effort to discover commonalities among cultures and develop better writing skills as well. During their study of fairy tales, they also worked on a mini unit about Harriet Tubman and the anti-slavery movement in the United States. To finish up the 1998-99 year, the class studied about recycling and ecology in our surrounding area. In order to better understand about recycling, the students took a trip to the Keene recycling center and were able

to observe the recycling process in action. All were very impressed by the amount of trash accumulated in one day of collection.

The 4/5 class was busy following the Iditarod as they rooted for their selected musher. Then they spent some time studying about the Iroquois Indians, and even got to make hand woven baskets with Mr. Lagasse and Mr. LaFleur. All of this was part of their literature based reading program. Mr. LaFleur's class also enjoyed the "Science Magic" program, which was part of their Science-By-Mail program. Students got to create different kinds of substances with household items, which had some rather surprising results.

This fall found the Stoddard School busy and eager. The K/1 class started off an exciting school year with a unit on the monarch butterfly. They studied the life cycle and watched several butterflies emerge from their chrysalis. The butterflies were released to begin their migration south. To go along with this unit, the class focussed on the work of Eric Carle and "The Very Hungry Caterpillar", as well as some of his other books.

Reading, writing and math instruction are an integral part of each day. Intertwined with their daily 3 R's (reading, writing, and math), they have learned much about our world.

During October, the K/1 students learned about bats. They read "Stellaluna", along with other fact based bat books. At the end of the unit, a class graph was created which showed favorite bats that had been selected. The vampire bat won! Then students helped build a classroom teepee as part of a unit on Native Americans of our area. As part of the holiday decorations, the teepee mysteriously changed into a TREE-pee! Included in the holiday celebration was an opportunity for each child to make a gingerbread house.

This fall, the second and third grade students have been studying entomology and maps. Students spent the first quarter researching about various insects and the difference between insects and spiders. They finished off the unit by designing bug masks and interviewing each other about the life styles of various insects. All students were excited about interviewing each other. In maps, the students have been looking at many different kinds of maps and learning how to navigate by looking at a map. They tracked Santa through thirteen states right before Christmas. They developed a map for their classroom, designing the legend, scale and size of the map. To sum up the unit, students will be orienteering around the area by the school to discover a hidden secret.

The 4/5 class stepped back into ancient Egypt this fall, as they studied the book The House on Hackman's Hill. Students learned how mummies were

created, and even got to wrap a few of their own! The Nile River was explored and many pyramids were investigated. Students got a chance to try their hands at some old Egyptian games like Senet, Hounds and Jackals, and The Serpent Game. Some wonderful projects were created by the students, for their final assignment in the unit.

In preparation for the 4/5 class's study of New Hampshire History, they took part in a simulation program called "Pilgrims". In this program, students are placed in groups and must take on various tasks which simulate what the Pilgrims went through when coming to the new world.

Fourth and fifth graders have been taking part in the Boston Science Museum's Science-By-Mail program. This fall's packet deals with imaging. Students have been experimenting with numerous ways in which an image can be created. Students are writing down their observation, and making diagrams of what they have worked on. These results are then sent to scientists who have been assigned as pen pals to our students.

Another great addition to our school, is the greenhouse that was constructed by the fourth and fifth graders, with Mr. Lagasse's guidance. We hope to have many plants in various stages of growth, and then begin an outreach program to local organizations. With the help of New England College students, we have been able to put forth many of the plans for this new program.

In closing, I would like to thank the members of the P.T.O. who have spent many hours helping the school. Many thanks go out to all of the parents who have supported our school and its programs. Working together, we continue to improve our school, making it a special place for our children to grow and learn.

Annual Technology Report

We have had a very busy year at James M. Faulkner School in regards to technology. In 1998 - 99 we wired the school to the Internet using very little funds and a large amount of volunteerism. Our thanks go out to Ray Lagasse and Jeff Bush who gave a considerable amount of free time to get our school wired. In January 1999, we unveiled the school's own web site to the public. Students, parents, and community members are able to use the site to find out assignments, school information, and community information. The response to the site has been very positive.

In the fall of 1999, Newsweek magazine came to see the school and how it utilizes technology in the classroom. Students were thrilled to receive the attention and the article was very well written. Several weeks following the publication of the magazine, Channel 9 news came to the school to report on our use of the Internet as well. At the end of the year, Sylvania donated some used computers to our school making the technology even more accessible to our students.

Annual Meeting Minutes

Minutes are not official until approved at next school board meeting.

The meeting opened at 7:10 p.m. at the James Faulkner Elementary School. Present were Superintendent, F. Donald Jones; Board Chairman, Brenda Howard; Board members Carol Clark and Lynne Jarest; Interim Clerk, Sherry Lapointe; and Moderator, Dan Eaton. Also present were Principal Mark LaFleur, Fran Irvine, Kim Hamilton, Maggie Sergeant, and Stoddard voters.

1. OPENING OF THE POLLS - Lynne Jarest motioned to have the polls open for voting from 7:10 until 8 p.m. or the end of the meeting. Brenda Howard seconded the motion. All were in favor.
2. ARTICLE 2
Brenda Howard moved that the District accept the reports of agents, auditors, committees, and other officers as printed in the Annual Report. Lynne Jarest seconded the motion. The motion was adopted by the voters.
3. ARTICLE 3
Carol Clark moved that the District appoint the salaries of the School Board and fix compensation for other officers and agents as included in the 1999-2000 budget. Brenda Howard seconded the motion. The motion was adopted by the voters.
4. ARTICLE 4
Brenda Howard moved to withdraw Article 4 for a correction. Carol Clark seconded the motion. Brenda Howard moved that the District raise and appropriate the sum of \$1,000,596 (one million, five hundred ninety-six dollars) for the support of schools for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the district. Carol Clark seconded the motion.
- Voters discussed the budget increases for 1999-2000. The following were some of the major points discussed:
 - *Voters questioned the increase of the budget. 46% was due to a rise in special education costs. Some staff members moved up on the salary scale. Discussion ensued.
 - *Voters asked if the special education teacher was elevated to full time. The special education program is in need of a full time teacher to manage the current case load. Discussion ensued.
 - *Voters questioned the increase in SAU service costs. Student increases justified a higher percentage of the district costs to be bestowed on Stoddard. Discussion ensued.

Stoddard School District- Annual Meeting Minutes cont.

-Brenda Howard motioned to limit further debate. Lynne Jarest seconded the motion. The motion was accepted by the voters.

-Brenda motioned for voting on Article 4 to begin by ballot. Carol Clark seconded the motion. The vote was yes - 31 and no - 16. Article 4 was adopted.

5. ARTICLE 5

Lynne Jarest moved that the District raise \$75,000 (seventy-five thousand dollars) to reduce the general fund deficit pursuant to RSA 189:28-a for the 1998-1999 school year. Brenda Howard seconded the motion. The motion was accepted by the voters.

6. ARTICLE 6

Lynne Jarest moved to accept Article 6. Brenda Howard seconded the motion. The motion was accepted by the voters.

7. ARTICLE 7

Mary Lou Eaton moved to accept Article 7. Karen Forcier seconded the motion. The motion was accepted by the voters. Voting began.

Report of the Superintendent

To the Citizens of Henniker, Stoddard and Weare:

It is a pleasure to provide a report of the School Districts of Henniker, John Stark, Stoddard and Weare.

I hope that you have taken the opportunity to review the information included in the various reports that are included in this publication. You will be able to discover the financial status of your school district budget as well as read about some of the programs that are taking place in your school.

The efforts of many of you are responsible for the successes that are taking place in the schools. Your personal and financial support is much appreciated. As you have heard us say on a number of occasions the dedicated staff, administrators, volunteers, parents, school board members, civic organizations, and countless others are the reasons why there is much respect and regard for our school districts.

I trust that we will continue to work together to create and maintain an environment whereby all learners in the Districts can further develop the common goal to grow and succeed. We continue to enhance our partnership with New England College, the communities and the area agencies in order to continue the opportunities for our students, teachers and community members.

Our constant initiative is to coordinate the curriculum offerings at the individual schools by grade level and in turn as a kindergarten through grade twelve benchmarking. Several staff members have been working diligently over the past several months in order to accomplish this goal.

We ask for your continued support for the public schools in your community and we will strive to provide the best education possible.

Sincerely,

F. Donald Jones
Superintendent of Schools

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report lists all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family. Based on this information, the Department of Revenue Administration calculates the percentage of Assessed Value to Market Value. Stoddard Assessed Value has been greater then Market Value since 1991.
